

BRIDAL SUITE & SPA PARTY SERVICES

Imago Salon and Spa knows how important your wedding day is.

It is the day you have waited for all of your life. This is why we created a private bridal suite for you to relax in on your special day. We have eliminated the chaos that comes with rushed Friday or Saturday mornings at the salon. The Bridal Suite is equipped with a lounge area, wet bar and mini fridge for you and your bridal party to enjoy!

The suite is complimentary to all bridal parties of five or more that receive a minimum of two services per guest. A description of some of our services ...

MASSAGE AT IMAGO

Our massage therapists have been trained in Myomassology, which is a combination of Swedish and therapeutic techniques. This is the base for all of our massages.

EXPRESS PEDICURE

Relax, recline, and get a massage in our Shitasu chair. Foot soak, foot scrub, cuticles trimmed, and nails shaped and polished.

IMAGO FACIAL

Revitalize your tired skin. The facial begins with a gentle cleanser, followed by an AHA exfoliating mask. A gentle massage is used to induce blood flow allowing sallow skin to capture a more youthful glow.

ORGANIC BODY EXFOLIANT (SUGAR SCRUB)

From the earth to your skin, Fiji Products are made with 100% certified organic coconut oil. Fiji's organic sugar polish is a natural glycolic acid, therefore is the most effective natural exfoliant to slough off dead skin. Fiji's organic sugar gently exfoliates the skin without scratching or tearing. The rich coconut oil is used to repair, moisturize and nourish new skin cells. It is a simple way to get the skin's natural glow back. Each treatment is followed by a shower and Fiji's Nourishing lotion.
